

## **NO SHOW POLICY**

We take pride in our practice efficiency and ability to accommodate patients when an emergency arises. In order to be able to do that, our scheduling is extremely important. Cancellations and no shows results in significant inefficiencies to patient flow and disturb our practice's ability to function well.

If you have a scheduled appointment, which has been confirmed, and you miss the appointment without adequate notification (at least 24 hours) we will allow 1 such occurrence with no penalties to you. However, any further no shows, without adequate cancellation, will incur a \$30 charge. We ask that you please respect this policy.
